and find pasture.

What You Heard *In the Word*

God told Noah to build an Ark that would not sink! The Ark God told Noah to build is nothing like many of the play arks we see today. Those arks would not have survived the Flood!

Ask your child these questions from today's lesson:

1. How did Noah know the right size and shape for the Ark? *God told him exactly what to do.*
2. What kind of Ark did God tell Noah to build? A silly, little ark or a huge one, like a strong ship? *A huge one, like a strong ship.*
3. How do we know these things about the real Ark? *It's in the Bible.*

Justin & Jessie

"Eww! She slobbered on me!" said Jessie.
 "Hey! Her tongue is purple!" Justin noticed as it came toward Jessie's hand again. "Ick!" Jessie dropped her lettuce and everyone laughed.

Justin and Jessie have great fun at the zoo feeding giraffes and looking at tigers, bears, and zebras. But they wonder how Noah could fit all the animals on the Ark. Find out what they learn in "Giraffe Salad."
