### S.A.L.T. Group questions

  - What truths stand out to you?
- 1. What arguments among Christians have you witnessed that were not firmly rooted in the Bible?
  - What were the results of these arguments?
  - How can the Bible limit dissent among Christians?
  - Look at the types of commands above. What commands have some Christians misunderstood and therefore have led to arguments?
- 2. What are some biblical morals that some religious people have compromised on?
  - Why is compromise such a temptation?
  - Do you agree with the statement, "Truth must take priority over unified relationships"?
- 3. Do you agree with the statement, "Put others' faith above your own freedom."? What does this mean to you?
  - What are some behaviors that can cause a stumbling block to an unsaved person or a young Christian?
  - What would you be willing to give up if it was causing someone to stumble in their faith?
  - What is the difference between someone putting burdens on other Christians and someone who is in danger of stumbling over our behavior?
