[Today's goal: To learn about landmark moments]

Definition of a "landmark moment": A point at which a response to a situation defines a person and sets the course of their life.

### 1. The timing of the landmark moment (V. 8)

- Life lesson: Landmark moments often come when we're beaten down.

### 2. Acting on the landmark moment (Vs. 8b-14)

- Life lesson: Set your course in the most peaceable way.

### 3. Victory in the landmark moment (Vs. 15-21)

- Life lesson: Today's decisions will shape your future.

#### Questions to help in decision-making:

1. What does the Bible say about this decision?
2. Have I prayed, "Not my will, but Yours be done"?
3. Am I feeling pressure to make a quick decision?
4. What motives are driving my decision?
5. What are my godly counselors suggesting?
6. What are the possible outcomes of my decision?
7. Could this decision jeopardize my testimony?
8. Though this might be a good decision, is there a better option that would allow me to have a greater impact for Christ?
